Overall Length:

14.600 inches

Overall Width:

13.700 inches

Material Thickness:

0.052 inches

Aircraft Location:

Skin-lwr le slat

Aircraft Mission Design Series:

A-10

Special Features:

U/O 160d713203-3; no finish req; dimensions are stocksize; manufacture suggested nam (doubler) ; alcd sh

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
