Overall Length:

8.200 inches

Overall Width:

5.300 inches

Material Thickness:

0.040 inches

Aircraft Location:

Leading edge-elevator

Aircraft Mission Design Series:

A-10

Special Features:

U/O 160d513101-5, -6, -7, -8; alcd sh

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
