**Overall Length:**

8.200 inches

**Overall Width:**

5.300 inches

**Material Thickness:**

0.040 inches

**Aircraft Location:**

Leading edge-elevator

**Aircraft Mission Design Series:**

A-10

**Special Features:**

U/O 160d513101-5, -6, -7, -8; alcd sh

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A11400
