Overall Length:

8.000 inches

Overall Width:

10.000 inches

Thickness:

0.125 inches

End Application:

F/a-22 raptor

Product Name:

Panel, structural pylon

Aircraft Location:

Pylon

Aircraft Mission Design Series:

F/a-22 raptor

Material:

Aluminum alloy

Material Specification:

Ams 4085 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
