**Aircraft Location:**

Nacelle, engine bleed

**Aircraft Mission Design Series:**

A10

**Special Features:**

Manufacturer suggested name "doubler, flange"

**Material:**

Stainless steel

**Material Specification:**

Mil-s-5002 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800

**Mil-std (military Standard):**

Mil-s-5002 spec.
