Overall Length:

17.000 inches

Overall Width:

17.500 inches

Thickness:

0.050 inches

Product Name:

Forward upper inlet duct gutter skin (l/h)

Aircraft Location:

Leading edge - f.S.325.00

Aircraft Mission Design Series:

T-38c

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
