**Product Name:**

Inlet duct nacelle skin (leading edge - f.S. 325) l/h

**Aircraft Mission Design Series:**

T-38c

**Special Features:**

Stock size .063 x 36.0 x 60.0

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
