Cross Sectional Shape:

Flat

Securing Device Type:

Threaded fastener

End Application:

H-60 helicopter

Product Name:

Cover assembly

Special Features:

Material polyphenylene sulfide astm-d-4067; cover thickness 0.130 inches; assembly includes rivets and nutplates

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
