Overall Length:

9.750 inches

Overall Width:

4.000 inches

Product Name:

Channel

Aircraft Location:

Floor assembly-fuel tank number 1

Aircraft Station Number:

Fs458.800 to fs481.500

Aircraft Mission Design Series:

F-15

Special Features:

Dim are stock material; heat treat to t62 per ps15534

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 cond 0 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
