End Application:

F-22 raptor

Product Name:

Blade seal

Aircraft Location:

Lower aileron seal

Aircraft Mission Design Series:

F-22a

Special Features:

Wind swept surface critical item; opposite -110; m/f: -105 bonded assembly; m/o: carbon/bmi composite material; dim. Are stock material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
