Overall Length:

35.000 inches

Overall Width:

23.940 inches

Thickness:

0.160 inches

Aircraft Location:

Center, inboard

Aircraft Mission Design Series:

B-1b

Special Features:

003 opp -004; nha I1200503, u/o b-1b 1 & sub; dim listed are stock size

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
