**Overall Length:**

11.500 inches

**Overall Width:**

2.500 inches

**Material Thickness:**

0.050 inches

**Product Name:**

Angle seal/eng.Pylon, bukhead

**Aircraft Mission Design Series:**

A-10

**Special Features:**

Heat treat 0, alcd sh

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
