Overall Length:

49.000 inches

Overall Width:

8.000 inches

Product Name:

Ramp cover assembly

Aircraft Location:

Side rail ramp

Aircraft Mission Design Series:

C-130j

Special Features:

Dim are stock matl

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11700
