Product Name:

Support - windshield, attach - forward

Aircraft Location:

Forward windshield

Aircraft Mission Design Series:

F-18

Special Features:

Machined from 74a350611-2006

Material:

Aluminum alloy

Material Specification:

Qq-a-367 cond t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
