Product Name:

Panel assembly, stair tread - crew door

Aircraft Mission Design Series:

C17-a aircraft

Special Features:

C/o 1 guard, stock size .032x4x33; 1 panel (make from 9d0059-4a); 1 mat, deck covering non-skin cloth, 4 plugs, 14 insert plugs; heat treat t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
