Product Name:

Panel instl-structural, outbd trailing edge, outbd flap

Aircraft Mission Design Series:

C-17a aircraft

Special Features:

C/o 1 doubler stock size .125x4x5; 14 shim stock size .065x1.5x9; 1 te assembly; 4 washer, 4 bolts, 104 screws; 5 blind rivet, 56 rivet;
per e/o parts list revision -505 same as -503

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
