Overall Length:

7.350 inches

Overall Width:

6.600 inches

Material Thickness:

1.750 inches

Product Name:

Filler foam

Aircraft Location:

Filler foam-assembly of

Aircraft Station Number:

Fs558.500 to fs595.900

Aircraft Mission Design Series:

F-15

Special Features:

Foam matl shall be polymide foam ac-406; dim are stock matl

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
