Overall Length:

7.900 inches

Overall Width:

6.750 inches

Material Thickness:

4.000 inches

Product Name:

Filler, foam

Aircraft Location:

Filler foam-assembly of

Aircraft Station Number:

Fs585.500 to fs595.900

Aircraft Mission Design Series:

F-15

Special Features:

Dim are stock matl; polyurethane foam, mms554

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
