## **Overall Length:**

7.950 inches

**Overall Width:** 

6.600 inches

# Material Thickness:

1.750 inches

## **Product Name:**

Filler foam

## Aircraft Location:

Filler foam-assembly of

## Aircraft Station Number:

Fs558.500 to fs595.900

### Aircraft Mission Design Series:

F-15e, s

### **Special Features:**

Next higher assembly, 68a324968, u/o f-15e cum 1 and up, f-15s cum 1 and up; dim are stock matl

### Material:

Plastic polyurethane

## Shelf Life:

N/a

# Unit Of Measure:

---

#### Demilitarization:

No

#### Fiig:

A11800
