Overall Length:

7.300 inches

Overall Width:

5.250 inches

Material Thickness:

1.500 inches

Product Name:

Filler foam

Aircraft Location:

Filler foam assembly of

Aircraft Station Number:

Fs558.500 to fs595.900

Aircraft Mission Design Series:

F-15e, s, i, h

Special Features:

Foam matl shall be polymide foam ac-406; dim are stock matl

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
