Aircraft Location:

Inr duct pnl framework

Aircraft Station Number:

Fs158.245 to fs171.500

Aircraft Mission Design Series:

A-10

Special Features:

Alshp; rh side

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
