Material Thickness:

0.040 inches

End Application:

C130 hercules

Product Name:

Brackets-seal installation crew door frame

Aircraft Location:

Crew door frame

Aircraft Mission Design Series:

C130

Special Features:

Stock size 0.040x5x6 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
