Overall Length:

21.700 inches

Overall Width:

13.000 inches

Material Thickness:

0.032 inches

Product Name:

Fitting

Aircraft Location:

Fitting, bungee attachment pivoting wedge, underwing

Aircraft Mission Design Series:

B1-b

Special Features:

Heat treat 1/2 h

Material:

Steel comp 630

Material Specification:

Qq-s-766, class 301 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
