**Overall Length:**

21.700 inches

**Overall Width:**

13.000 inches

**Material Thickness:**

0.032 inches

**Product Name:**

Fitting

**Aircraft Location:**

Fitting, bungee attachment pivoting wedge, underwing

**Aircraft Mission Design Series:**

B1-b

**Special Features:**

Heat treat 1/2 h

**Material:**

Steel comp 630

**Material Specification:**

Qq-s-766, class 301 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
