Overall Length:

12.000 inches

Overall Width:

11.000 inches

Material Thickness:

0.050 inches

Product Name:

Bracket-attach leading edge duct

Aircraft Location:

Leading edge duct

Aircraft Station Number:

Fs270.10

Aircraft Mission Design Series:

T-38 aircraft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
