Overall Length:

10.600 inches

Overall Width:

5.000 inches

Product Name:

Fire shield

Aircraft Location:

Fire shield-niu

Aircraft Mission Design Series:

C-130j

Special Features:

Operational requirements include temp range of -65 degrees to 1250 degrees f anfire resistant to 2000 degrees f for 5 mins, operating altitude of 45, 000 ft max, ambient temp -65 degrees f to 250 degrees f

Material:

Glass borosilicate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
