**Overall Length:**

5.750 inches

**Overall Width:**

4.200 inches

**Material Thickness:**

0.050 inches

**Product Name:**

Stiffener

**Aircraft Location:**

Stiffener-csd oil level inspection door

**Aircraft Mission Design Series:**

E-3a

**Special Features:**

Nha 8148703-100

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4, t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
