Overall Length:

8.240 inches

Overall Width:

1.250 inches

Material Thickness:

0.050 inches

Product Name:

Stiffener

Aircraft Location:

Stiffener-csd service door

Aircraft Mission Design Series:

E-3a

Special Features:

Nha 8148701-100

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
