Overall Length:

4.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.071 inches

Product Name:

Clip

Aircraft Location:

Ladder assembly, exterior crew entry

Aircraft Mission Design Series:

C-5

Special Features:

Heat treat 6; used on 4f73130-103d & -103e

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
