Product Name:

Pylon assembly

Aircraft Location:

370 gal tank

Aircraft Mission Design Series:

F-16

Special Features:

C/O fairing assembly, support assembly, cover assembly, ejector system assembly, swaybrace assembly, tube ass (upr)(lwr) , pins, plate shear, door, nuts, washers, fittings, supports, bolts, support harness, skin, retainer, screws, seal, cotter pins, disc elec., rivets, wrench assembly, "o"rings, couplings, value fuel support clamps, pins, nameplate

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
