**Product Name:**

Support assembly

**Aircraft Location:**

Support-idler shaft, aft, engine control

**Aircraft Mission Design Series:**

C-5

**Special Features:**

Material 17-4ph cres

**Material:**

Stainless steel

**Material Specification:**

Ms5355 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
