Overall Length:

39.380 inches

Overall Width:

7.750 inches

Material Thickness:

0.050 inches

Product Name:

Liner

Aircraft Location:

Liner, side post-windshield crew compartment, assy

Aircraft Mission Design Series:

B-1b

Special Features:

Nha I5305060; liner-lexan f60061 polycarbonate sheet, fed standard 595, color no 36231 gray; dim are stock material

Material:

Plastic polycarbonate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
