Overall Length:

12.495 inches

Overall Width:

1.055 inches

Material Thickness:

0.420 inches

Aircraft Location:

Access panel-wing outer panel, trailing edge

Aircraft Mission Design Series:

B-1b

Special Features:

Make from ls043-0645 shape; u/o b-1b 1&subq

Material:

Aluminum alloy 2219

Material Specification:

St0170lb0038, t81 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
