Overall Length:

3.300 inches

Overall Width:

1.500 inches

Material Thickness:

0.050 inches

Product Name:

Door assembly-nlg aft

Aircraft Location:

Door assembly on nlg

Aircraft Mission Design Series:

A-10 aircraft

Special Features:

U/o p/n 160d136171-1; heat treat 0

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
