Side For Which Designed:

Left side

Product Name:

Fitting, lh

Aircraft Location:

Wing splice-lwr, outbd aft

Aircraft Station Number:

Ws110.0

Aircraft Mission Design Series:

A-10 acft

Special Features:

M/f forging 160d612609f-11; heat treat 736

Material:

Aluminum alloy 7175

Material Specification:

Ams 4149 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
