Overall Length:

573.000 inches

Overall Width:

12.000 inches

Product Name:

Skin

Aircraft Location:

Panel cargo floor

Aircraft Station Number:

Fs1136 to fs1708

Aircraft Mission Design Series:

C-5

Special Features:

Part to be fabricated from 54 inch maximum width stock; identify per stp 63-001 impression stamping not permissible; finish a per stp60-010, see ds30000 for finish code; finish aa type 2 per stp60-010 see ds30000 for finish code; dim are stock matl

Material:

Aluminum alloy 7475

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
