Product Name:

Support-mechanism attach

Aircraft Location:

Front cockpit canopy

Aircraft Mission Design Series:

T-38

Special Features:

5 made from -7 rough forging; nha 2-13201

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367, t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
