End Application:

F/a-22 raptor

Product Name:

Drain reservoir-machined casting

Aircraft Mission Design Series:

F/a-22 raptor

Special Features:

Made from 1 5hh71305-201 drain vent and as required 375532001 topcoat; 376666000 primer; 1 hole with 1.0625-12unj-3b threads per mil-s-8879

Material:

Titanium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
