Material Thickness:

0.050 inches

End Application:

Nch-53a/d/e, angle instl-drag bl53

Product Name:

Angle

Aircraft Location:

Drag bl53

Aircraft Mission Design Series:

Nch-53a/d/e

Special Features:

Dcn h53-04-001 pg 1 of 1

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
