**Aircraft Location:**

Panel forward nacelle duct van assembly

**Aircraft Station Number:**

Yn 99.75 to yn 143.00

**Aircraft Mission Design Series:**

B1-b aircraft

**Special Features:**

C/o one -021, one -022; heat treat t-62, per st01111a0009

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
