Aircraft Location:

Panel forward nacelle duct van assembly

Aircraft Station Number:

Yn 99.75 to yn 143.00

Aircraft Mission Design Series:

B1-b aircraft

Special Features:

C/o one -021, one -022; heat treat t-62, per st01111a0009

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
