Overall Length:

11.050 inches

Overall Width:

2.090 inches

Material Thickness:

0.006 inches

Product Name:

Doubler

Aircraft Location:

Repair doubler-wing center

Aircraft Mission Design Series:

A-10a

Special Features:

Repair doubler used on 160d611302 center spar assembly

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
