**Overall Length:**

11.050 inches

**Overall Width:**

2.090 inches

**Material Thickness:**

0.006 inches

**Product Name:**

Doubler

**Aircraft Location:**

Repair doubler-wing center

**Aircraft Mission Design Series:**

A-10a

**Special Features:**

Repair doubler used on 160d611302 center spar assembly

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
