**Material Thickness:**

0.440 inches

**End Application:**

Ch-47d cargo transport helicopter

**Hole Quantity:**

2

**Product Name:**

Bracket

**Aircraft Location:**

External cargo hook

**Aircraft Mission Design Series:**

Ch-47d

**Special Features:**

0.281 hole diameter

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362/t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
