Material Thickness:

0.440 inches

End Application:

Ch-47d cargo transport helicopter

Hole Quantity:

2

Product Name:

Bracket

Aircraft Location:

External cargo hook

Aircraft Mission Design Series:

Ch-47d

Special Features:

0.281 hole diameter

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362/t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
