Overall Length:

77.000 inches

Overall Width:

4.800 inches

Material Thickness:

4.100 inches

Aircraft Location:

Wing-outboard closure, outboard torquebox

Aircraft Mission Design Series:

F-15c, d

Special Features:

Dim. Are stock material

Material:

Aluminum alloy 7175

Material Specification:

Mms-1304, cond t7452 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
