Side For Which Designed:

Left side

Aircraft Location:

Access-forward fairing

Aircraft Mission Design Series:

C-17

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/25, t76 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
