Overall Length:

29.000 inches

Overall Width:

1.900 inches

Material Thickness:

0.063 inches

Product Name:

Angle

Aircraft Location:

Reinforcing angles-forward Iru 8radome

Aircraft Mission Design Series:

B-52

Special Features:

Dims are stock material; -501 opp-502; nha 675-22706

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
