## NSN 1560-01-522-0737

Aircraft Structural Component Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1560-01-522-0737

Material Thickness:
0.040 inches
End Application:
E-2c aircraft
Aircraft Location:
Lower cowl assembly
Material:
Aluminum alloy 7075
Material Specification:
Qq-a-250/13 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
Filg:
A11800
