Overall Length:

3.500 inches

Overall Width:

3.000 inches

Material Thickness:

0.040 inches

Product Name:

Channel

Aircraft Location:

Strap instl-inbd e model strut repair

Aircraft Mission Design Series:

Kc-135e

Special Features:

Delete existing 66-21533-1 if installed, -15 is replacement, this part not required if 66-10703 is installed at this location; 301 cres steel sheet 1/2 hard per ams5518; dim are stock matl

Material:

Steel comp 301

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
